

RESTART GRANT PLUS FOR B&Bs – PHASE 1: GUIDELINES AND TERMS & CONDITIONS

RESTART GRANT PLUS

For B&Bs

Fáilte Ireland

National Tourism Development Authority

1. Who can apply for the Restart Grant Plus for B&Bs? What are the criteria for qualifying for the grant?

B&B businesses which pay local authority rates should apply directly to their Local Authority.

In Phase 1, applicants must be part of the National Quality Assurance Framework (NQAF) either through direct approval by Fáilte Ireland, or as a member of B&B Ireland's Quality Assurance Framework.

Phase 2 is open to all commercial B&Bs. Details of requirements will be announced shortly.

In order to apply for the Restart Grant Plus for B&Bs, a B&B business must:

- a. Be commercial and with a trading track record;
- b. Have 0 – 250 employees;
- c. Have suffered a projected 25%+ loss in turnover between 1 April to end June 2020, based on a comparable period in 2019;
- d. Commit to remain open or to reopen in 2020 / 2021 if it was closed; and
- e. Intend to retain employees that are/were on the Employment Wage Subsidy Scheme (EWSS) (formerly Temporary Wage Subsidy Scheme (TWSS))
- f. Be in operation prior to January 2020.
- g. Be a micro, small or medium enterprise with turnover in the last financial year of less than €25m and employing less than 250 people.

2. What can I use the grant for?

The grant is a contribution towards the cost of re-opening or keeping a business operational and re-connecting with employees and customers.

3. How much will I get?

The Restart Grant Plus for B&Bs will be €4,000 for non rate-paying B&Bs i.e. B&B businesses not on the Local Authority rates system.

As a consequence of the extra restrictions on movements in Kildare, Laois and Offaly, the Government has increased the Restart Grant Plus level by 20% in those counties. That means that a non-rated B&B business in those 3 counties entitled to the minimum €4,000 grant will now get €4,800 under the Restart Grant Plus for B&Bs.

B&Bs that are on the rates system can apply to their Local Authority for the equivalent of their 2019 rates bill, excluding arrears, subject to a minimum grant of €4,000 and a maximum of €25,000.

4. How do I apply?

Application forms can only be submitted online via the Fáilte Ireland Trade Portal.

The application form for Phase 1 will be available from **14th September to 28th October 2020**.

Further details on the application process for B&Bs which are not approved under National Quality Assurance Framework (NQAF) will be announced shortly.

Applicants should note that granting access to the application form does not confirm final eligibility of an applicant. Depending on the information provided in the application form, an applicant may still be deemed ineligible for funding later in the process.

Please contact our Customer Support Team on 1800 242473 or +353-1-8847101 or email customersupport@failteireland.ie for further assistance.

5. Does the business need to be open at the time of applying?

As this is a restart grant, it is designed to support operators in planning and making alterations to enable their B&B business to re-open.

The business must be able to demonstrate (if requested) that the B&B business operated in 2020 and incurred costs related to COVID-19 prevention measures. However, if a business was unable to reopen due to the Government Roadmap in 2020 and continued to incur operational costs and makes a commitment to reopen in 2021, they are entitled to apply for the grant.

The grant may be subject to audit by Fáilte Ireland. Therefore, you are required to retain all records relating to this grant for a period of up to 10 years.

6. How long must the business have been closed in order to claim this grant?

There are no specific requirements around the length of time the business was closed, however the business must have suffered a projected 25%+ loss in turnover between 1 April to end June 2020, based on a comparable period in 2019.

This may be verified at any time.

7. How soon will I get my grant?

Applications will be processed in order of receipt. On average, we will aim to process applications generally within two weeks of receipt of all required information.

8. How will the grant be paid?

The grant will be paid by electronic transfer to the business account.

9. When is the closing date for applications?

Phase 1 will open on 14th September and close on 28th October 2020.

Further details on the dates for Phase 2 will be announced shortly.
